All of our burgers at Coppa Club are 100% prime beef and we pride ourselves in cooking each burger to order. However, the Food Standards Agency advises that consuming raw or undercooked meats may increase your risk of foodborne illness, and effects may be more severe in children, the elderly and those with weakened immune systems. Due to the presence of nuts and gluten in some products there is a small possibility that nut and gluten traces may be found in any menu item. Not all ingredients are shown in the dish descriptions. Olives may contain stones and fish may contain bones. Gluten free recipes are made with no gluten containing ingredients. We accept all major credit cards. Our prices include Value Added Tax at the current rate.
